

UCD Health Systems

RESEARCH
AFTERNOON

Health Systems Research Showcase

Date: Wednesday, 24th October, 2018

Time: 12:15 - 16:30

Venue: Seminar Room, UCD Charles Institute, Belfield

The purpose of the afternoon is to showcase the diversity of current interdisciplinary Health Systems Research conducted in partnership with clinical and non-clinical partners in Ireland and beyond.

Short presentations, posters and discussions from students and staff will highlight the breadth of methodological approaches and the unique ways of working of UCD Health Systems' Researchers.

Lunch will be provided. Please view event's programme below and register for free.
