Dates for Research Seminars 2020/2021	
	via Zoom link
	10 am to 1 pm
Autumn Trimester	
	Friday 18th September
	Friday 30th October
	Friday 4th December
Spring Trimester	
	29th January
	5th March
	16th April
Summer Trimester (if requested)	

- All students registered for a research degree programme are required to attend.
- Come along and engage with your community of practice. Share your experiences, build confidence and listen and engage with colleagues.
- Faculty leave meeting at 12.15 pm. The session continues for students only.
- Students can register for module NMHS 42070 (5 ECTS) Spring or Autumn trimester during their registration to a PhD degree
- Students must contact Kate Frazer before registering to the module. Module requirements are: attendance at all three seminars during a trimester, an oral presentation and leading a discussion with peers.
- Contact Kate if you wish to practice skills at a seminar – presentation or debate.
- Bring a reflective journal to the seminar.
- Register to google community and contribute – must use your UCDconnect email address <https://plus.google.com/u/o/communities/100111541861905319284>
